

ARCH | AL-507 ALABAMA BALANCE OF STATE CONTINUUM OF CARE

FY 2026 CoC Project Priority Listing

Approved by the ARCH CoC Board on September 22, 2026

FY2026 Funding Note: HUD set Tier 1 funding at 60% of each Continuum of Care's Annual Renewal Demand (ARD). AL-507's ARD is \$1,662,470, making its Tier 1 threshold \$997,482. Placement beyond that threshold does not mean a project has been rejected; those projects remain subject to HUD's Tier 2 competition. The Project Priority Listing shows AL-507's local ranking and funding recommendations. HUD makes all final award decisions.

Rank 2 (Good News Rapid Rehousing): the Original Local Request column shows the original application amount; the Amount Requested from HUD reflects a \$24,662 reduction to align with the project's GIW renewal amount. This adjustment did not involve reallocating funds to another project, so Reallocated Funds (+/-) shows \$0.

TEARS, Inc.: the application is marked Rejected because it included only a project summary, without a budget or the other required application components.
